ON PETITION

This is a decision on the petition, filed February 13, 2007, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned for a failure to reply in a timely manner to a non-final Office action mailed April 5, 2006. A Notice of Abandonment was mailed on November 3, 2006. In response, on February 13, 2007, the present petition was filed.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an amendment; (2) the petition fee of \$1,500; and (3) an adequate statement of unintentional delay.

There is no indication that the petition is signed by a registered patent attorney or patent agent of record. However, in accordance with 37 CFR 1.34, the signature of Mr. Kevin Fortin appearing on the correspondence shall constitute a representation to the United States Patent and Trademark Office that he is authorized to represent the particular party on whose behalf he acts.

The application is being referred to Technology Center AU 2836 for consideration of the amendment filed February 13, 2007.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
